VILA VINI TECA

DES DEL 1932

Dear friend,

As is now tradition, we're delighted to present our new catalogue, especially this year in which we celebrate our 95th anniversary. It is a carefully curated selection, the result of the experience of a magnificent team of sommeliers and fine dining specialists who, throughout the year, taste thousands of bottles of the finest wines and spirits, hundreds of cheeses from around the world and visit leading vignerons to discover their latest offerings. In the following pages you'll find, among others, the most sought-after Grenache from Gredos and Priorat, the great white wines of the Jura, the long-lived wines of Madeira, Porto and Jerez, and the most legendary producers from Champagne, Burgundy, South Africa, California and Barossa Valley.

In these somewhat confusing times, when it sometimes seems that what is good is being set against what is considered healthy, and when other cultures are often taking precedence over our gastronomic traditions and the Mediterranean diet, we will continue—as my grandparents taught me many years ago—to champion and promote great wines, offer you excellent cheeses and charcuterie and celebrate producers who work organically and biodynamically.

We would be delighted to welcome you personally to our shops and give you our best recommendations. If you prefer, you can also shop conveniently through our website, by telephone or e-mail, always receiving the level of personal service you deserve.

We would like to thank all those who have helped us improve day by day for these 95 years of trust. We continue working to offer you the most special bottles and the finest gastronomic delicacies that you love, whether as a treat for yourself or as a gift for your friends.

The joy of giving.

Quim Vila Betriu

Produced since 1919 and one of the most sought-after Rieslings in the world. This wine comes from a tiny 1.67-hectare/4.12-acre *clos* (in Grand Cru Rosacker) which has belonged to the family for more than 200 years. Its deep limestone soils endow the wine with its hallmark fresh, mineral character, together with its very long ageing potential.

Grown biodynamically, the vines are planted on amazing slopes in the lower part of the Grand Cru, where they benefit from the river's influence and greater protection from the cold winds. An excellent white wine offering a festival of aromas and an explosion of flavours on the palate.

In 2012, Rotem and Mounir Saouma (Lucien Le Moine in Burgundy) purchased vineyards in Châteauneuf-du-Pape and Côtes du Rhône, where they bypass all the traditions by making a wine with the same methods as in Burgundy: long ageing in barrel on huge amounts of lees and minimal doses of sulphites.

This is the 70th vintage of one of Australia's most sought-after Shiraz. It is sourced from ungrafted vines of more than 100 years old planted in 1912. Complex and long with notes of raspberry, black cherry and plum intermingling with hints of laurel, thyme, black pepper and olive tapenade. Flavoursome and with velvety tannins that lead on to a balanced, lingering finish.

The second vintage of an outstanding wine crafted from a tiny 0.39-hectare plot in Corullón. A vertiginous, steep north-facing slope, shaded and Atlantic-influenced, so full of virtue and grace that it was crying out to be bottled and offered to the world of great wines. A blend of 95% Mencía and 5% of the white variety Jerez.

The first vineyard acquired by the Jadot family back in 1826. Last July 2nd, as a celebration of the 200 years since that acquisition, an exceptional tasting of 34 vintages was held, finishing with a 1915, at the age of 111 years, which was simply fabulous and showing all its character with aromas of oranges coming through and a complete palate. Wow!

The Gran Reserva 1934 is quite extraordinary. A wonderful wine that, after 92 years, displays an amazing level of vitality. It has a youthful colour, a pure and sophisticated nose and a silky mouth-feel, together with indescribable energy and structure. One of the finest wine of Rioja we have ever tasted.

Recognised as one of Italy's finest mortadellas, it is a true gem of Italian charcuterie. Made with selected cuts of pork, pork fat, salt, natural flavourings and acacia honey, it follows an exclusive recipe from Salumificio Palmieri. Its artisanal production respects Italian tradition: being stuffed into natural casing and hand-stitched. Each piece is unique. Delicate and aromatic, it contains no preservatives or added flavourings and is suitable for coeliacs.

EL CLUB, 35 YEARS
In 1992 we began El Club. Since then, we have reached the extraordinary figure of 379 selections. 35 years covering the diversity of the world of wine. Month by month, we rigorously select the wines that move and excite us, the latest novelties, exclusive creations, limited editions and up-and-coming winegrowers and cellars that will be tomorrow's stars. With over 2,300 different wines, we have covered from historical regions to promising newcomers. We enjoyed the first vintages of Priorat, the winegrowers of Galicia exploring new paths, immersed ourselves in the Mencía variety of Bierzo, etc. Across the world, we have journeyed around Alsace, Burgundy, South Africa or Chile, among others, presenting new items. And in this spirit, we would like to continue enjoying El Club for many more years to come.

MARRIA PRATTS 162

MARRIA PRATTS

"Painting is a garden where everyone is welcome."

Marria Pratts is a self-taught Catalan painter and artist born in Barcelona in 1988.

Her work is characterised by a visceral and direct expressionism in which, through brushstrokes and an intuitive use of colour, she creates contemporary and autobiographical paintings that she uses as a way of reflecting on and questioning herself. Her painting depicts transformation and the passage of time, as well as magical elements and landscapes that blossom with poetic figures observing the clouds, flowers and clocks.

Pratts transforms the act of painting into an expression of pure physical energy. Her latest exhibition in Barcelona, *Florescence*, explores the epiphanies she experienced following the birth of her son, followed by the recent exhibition in Paris, *Papallona*, in which she delves deeper into the concept of transformation.

Her work has been exhibited at prestigious institutions including the Museu d'Art Contemporani de Barcelona (MACBA), the Fundació Joan Miró (Barcelona), The Watermill Center (New York) and the Vitra Design Museum (Weil am Rhein), as well as in international galleries and art fairs, and is held in collections around the world.
